

August 2019

Dear Parents:

It is school time again! I am happy to have your student in my classroom. I believe that by all of us working together we can make this a successful year. I consider it of prime importance that you be an active part of your student's education. You are invited to phone (601.932.7931) or email (tmartin@pearlk12.com) me any time that you have a question concerning your student's progress. I will keep you informed through the use of Active Parent and my web page.

If you have expertise related to Teaching, Graphic Design or Accounting we would love to have you as a guest speaker in our classroom. Please let me know; I would be happy to visit with you about the possibility of you sharing with my students.

It is important that you and your student be informed of my standards of classroom behavior so everyone knows what is expected. I have always found parents to be very supportive of good classroom behavior so their child has a good environment for maximum learning. Please see the link at the bottom of this page. It will show you how to navigate to my webpage where you will find all the information you need for a successful school year. If a problem arises (academic, social or emotional or anything you feel that I need to be aware of) please let me know.

I do utilize Remind101 to help my students remember important information. Remind has begun charging so I will only be able to sign up students. If your student needs help at home, you can find these instructions on my web page as well.

I consider it a great privilege and responsibility to be your student's teacher this year, and look forward to meeting you.

Sincerely,

Teresa Martin, NBCT
Pearl High School
